BOMBER OF THE YEAR NOMINEE - U9 TIER 1 - BRYSON KING

On behalf of the U9 T1 Bombers, our Nominee for the Bomber of the Year is a first year Bomber who brought a mix of skill and grit to the team. Both on and off the ice, his focus, positive attitude and work ethic were on display from Day 1. Asked to be a 200 foot player as a responsible centreman for most of the year, he bought in and worked his tail off on the forecheck and backcheck consistently. As many of the players were getting their first experience of full ice hockey, he was a shining example of what it meant to be coachable by learning the roles and responsibilities for his position. He also showed what it meant to be a teammate by picking up his teammates during the good times and tough times throughout the year. We are proud to recognize and nominate #22, Bryson King.

Congratulations Bryson!
